Craig McMurdo
EXCELLENCE IN ENTERTAINMENT

THE CRAIG McMURDO QUARTET

When music for dancing is not required and a large cabaret is not suitable Craig McMurdo can offer a sophisticated entertainment for background or cabaret with his Quartet of piano, double bass, guitar & drums.

With the experience of countless theatre tours and festival appearances and also having released an album with this format Craig has an extensive repertoire of classic jazz and swing standards available. Perfect for background during a drinks reception or as a dinner cabaret.
